

IFSP - HvU Award of Sports Physiotherapy

Purpose

The purpose of this award is to acknowledge and honor a sports physiotherapist, whose contributions to the profession have been truly outstanding.

Eligibility Criteria

The nominee shall have promoted the profession of physiotherapy and the specialty of sports physiotherapy in a professional and dedicated manner, worldwide and be a member in good standing of a member organization of IFSP (International Federation of Sports Physiotherapy).

Selection Criteria

The nominee shall have made a significant contribution through an advanced level of clinical knowledge and experience, served as an accomplished role model and provided incentives for other sports physiotherapy clinicians to reach their highest clinical potential. The nominee shall have also made a contribution to sports physiotherapy worldwide through scientific or clinical research activity, teaching or professional volunteerism.

Recipient 2004
